

A STUDY OF DETERMINISTIC SYSTEMS

An Introductory Volume

Contents

Chapter One	Foundations	3
Chapter Two	Structures	5
Chapter Three	Continuity	7

CHAPTER ONE

Foundations

The sovereignty of nations was tested throughout the long peace, as coalitions formed and dissolved along the shifting frontiers of trade and treaty. Historians have long debated whether the settlement produced genuine stability or merely a pause between larger conflicts, and the surviving correspondence of the period suggests both readings had their adherents at the time.
